Dear Friend:

The Glens Falls City School District formed the School District Foundation of Glens Falls, NY in 2002 to provide scholarships for graduating seniors at Glens Falls High School; to fund faculty projects to enhance instruction; and to provide money for student activities that are not covered by the school budget.

This is the **NINTH** year of our golf tournament, and we awarded scholarships in the amount of \$9,000.00. We again awarded ten (10) \$500.00 scholarships and four (4) \$1,000.00 scholarships. We currently have several outstanding requests. Our tournament this year will be on Saturday, September 16, 2017 at the Hiland Golf Course.

We are seeking sponsors for tees, greens, closest to the pin and longest drive contests. Sponsors can also donate prizes for the raffle and we welcome gifts to award to those participating.

I am enclosing a registration form and I hope you will again participate with a team and/or sponsorship.

Our main goal is to provide scholarships to deserving seniors. Your participation and support will assist us in continuing to provide monetary support to our graduating students as they pursue higher education. We appreciate the communities support, and we hope to raise our award amount again next year.

I want to thank you for all you do and have done for the district and students over the years. Glens Falls is a community that values its schools and supports our efforts to providing a sound educational program. Businesses have always been strong supporters and have enthusiastically advocated for our students. We appreciate all your help.

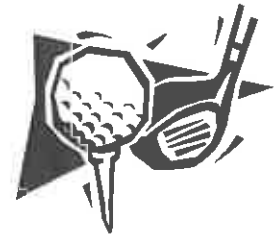

If you have any questions, please feel free to contact me at 518-796-6414.

Sincerely,

Tom McGowan  
School District Foundation Board Member
